National service programs continue to improve lives and communities in New York, with 3,257 AmeriCorps member and 17,663 Senior Corps volunteers currently serving.

Since 1994, more than 87,000 New York residents have served approximately 140 million hours through AmeriCorps, earning Segal AmeriCorps Education Awards totaling more than \$319.1 million.

Notes: With the exception of the Current Participants column, all data shown represents national service activity completed between April 14, 2017 and April 13, 2018.

1. Projects may be headquartered in other states.
2. The service location total may contain multiple counts of unique locations where multiple CNCS programs operated.
3. Completed participants reflects all AmeriCorps members who completed service in New York between April 14, 2017 and April 13, 2018. For Senior Corps, this reflects all volunteers funded by grants completed during that same period.
4. The Education Scholarships figures represent the maximum potential value of Segal AmeriCorps Education Awards that could be earned by AmeriCorps members who completed service in New York. The award can be used in any state to pay for college, graduate school, vocational training, or to pay back student loans.
5. AmeriCorps State and National, Foster Grandparent, and Senior Companion federal funding reflects the estimated proportionate share of the federal grant associated with the participants in this report. For AmeriCorps VISTA, funding reflects the national average cost per participant. RSVP funding appears in the state where the project is based and reflects the full amount awarded to operate the completed grant.
6. Current participants reflects national service participants currently serving in New York.
7. Total local project support reflects non-CNCS cash and in-kind resources that CNCS grantees committed to raise in support of their completed grants. As part of its public-private partnership approach, CNCS grantees leverage additional resources to strengthen community impact and increase the return on the federal investment.
8. Funding for the Social Innovation Fund was eliminated in FY 2017; projects shown operated under previously awarded grants.
